Trap

Saturdays, September 10-October 29, 11:00-1pm

\$250

An incomprehensible event: every person in the audience of a play falls unconscious--every person but one. Using interviews, a theatre ensemble brings the story of the strange event to life, documentary-style. But as the strands weave together into an increasingly dangerous web, it looks like this phenomenon might not be entirely in the past. Unnerving, exhilarating, and wildly inventive, you've never walked into anything quite like *Trap*.
